

Book Week 2017

Since 2016 teachers at Saint Joseph's have been engaged in Professional Learning in the area of Literacy. The approach teachers have been implementing is very student centred and based on rich literature. This approach aligns with current best practice and the requirements of the Australian Curriculum. As a result **every classroom needs an injection of rich, high quality literature**. We need your help in making this happen. You can help inject rich literature into classrooms in **TWO WAYS**.

Book Fair **Monday 14-Friday 18 August.**

The Book Fair will be open every day from 14-18 August, from **8:20am—8:50am** and **3:00pm—4:00pm**. There will be a table of books at the Book Fair that teachers would like to have in their class libraries. If you would like to **purchase one of these books** you can do so and your name will go into the front of the book as a reminder to the students of your support.

Book Parade **Tuesday 22 August 9.15am**

The Book Parade is an opportunity to showcase the amazing characters from the rich literature students read. This year we would like to inject some of this rich literature into classrooms by asking parents to **donate a gold coin** for their child to participate in the Book parade. All proceeds will be put towards purchasing rich literature for classroom libraries.
