

CLASSES 2018

During 2017 preliminary work was done in preparation for Stage 2 of our Master Plan. Consultations were held and plans drawn and submitted to the ACT Block Grant Authority for consideration for government funding to assist with the work.

We have been successful in that submission and have been granted \$1 000 000 towards the cost of 3 new classrooms and the refurbishment of the downstairs wing. This is wonderful news for our community. The timing of the project will be determined and announced in the new year.

By the end of the Stage 2 work St Joseph's School will be able to accommodate 14 classes in a very contemporary environment.

Until the additional classrooms are built, it is necessary for us to locate classes in the Learning Hub and relocate the library to the Staff Workroom. This is a result of us having 12 classes next year. The Hub is a magnificent space which will be transformed into two learning areas for the two Year 1 classes.

Below is a list of the class teachers for 2018. A full list of all staff will be produced next week.

2018 classes	
Class	Teacher
Foundation White	Zoe Cawdron
Foundation Red	Emily Capper
1 Gold	Courtney Bonner
1 Green	TBA
2 Yellow	Fiona Pettit
2 Magenta	Alison Nesci
3 Purple	Laura Knight
