The BSC children have settled well into their routine. While the weather is still beautiful and warm, the children will spend their time outdoors. The children have been enjoying exploring the different environments especially the water play, trampoline, sand pit and cubby house. Squeaks, our guinea pig, has been carefully looked after with lots of cuddles and hand feeding. On Shrove Tuesday we cooked pancakes for breakfast. The focus for the rest of the term will be exploration of treasure maps and discovering what treasure is. The ideas have come from the children drawing ‘X’s on rocks and then joining them with a line on the concrete to create a path to the treasure.

Vanessa, Natasia and Lina

The Parent Committee has been very busy this term! They have co-ordinated a working bee for this Saturday, from 9:00 – 11:00 at the ELC. We will be weeding, painting concrete and re-oiling the cubby house, organising the outdoor shed and many other tasks. If you would like to meet other parents and get your hands dirty, please sign up in the ELC foyer. The Parent Committee has also co-ordinated the annual Easter Raffle, tickets will soon be available to all families. Donations representing New Life are sought for our Easter Raffle. Lastly, the Cake Stall at the School Fete is coming together. Next week, all families will receive a cake box to fill with home baked goodies to sell at our school fete. A roster for parent help is set up in the ELC foyer. All proceeds from the Cake stall will go to the ELC to provide educational resources and equipment for our beautiful children.
