

St Joseph's Early Learning Centre

Term 4 Week 4

The ELC had seven baby chicks and two ducklings that hatched over the last two weeks with our Hatching Chicks program. The children thoroughly enjoyed learning about the life cycle of the chickens and ducks as well as learning about 'waiting' and patience as they waited for the last two ducks to hatch. All of the chicks and ducks have now moved back to a quieter life on the farm.

Term 4 is a very busy Term and if you haven't had a chance to volunteer in your child's classroom and you would like to, you might like to let your child's teacher know. They are more than happy for you to come in and read a story in the home corner or participate at a table activity or join in on group time. Before you know it.....they will be off to Kindergarten/Foundation next year. The children have made a lot of progress this year and many of them are ready for the next big step. Our orientation for our new ELC children will be held on the 15th of November. If any parents aren't attending the Foundation orientation at St Joseph's, we would love your help. We would like a couple of volunteers to help hand out uniforms from 10:00am - 11:30am at the ELC. If you are available on the day, please let us know at the ELC office.

Birthday wishes to the following child: Charlie G.
